

## Meet us online

At Radboud University, we enjoy meeting people from around the world who want to find out more about us. Therefore, we organise virtual open days, and online webinars about our University. We also attend international fairs, webinars and other virtual events organised by third parties. For an overview of all our activities, please visit [www.ru.nl/education/events](http://www.ru.nl/education/events)

## Virtual open days

Bachelor's:
