### Study in Austria - Study Guide

This brochure will provide a general overview and serve as a basic guide: By providing information about entry and residence regulations, admission and necessary steps to take after arrival in Austria. It also includes tables of the degree programmes at the Austrian universities, universities of applied sciences and university colleges of teacher education.

### Study in Austria - Higher Education Institutions

This brochure provides an overview of all accredited higher education institutions. By means of short presentations, contact addresses and references we endeavour to provide an overview of the Austrian higher education system for all those who are interested in studying or pursuing research in Austria or getting in contact with one of these institutions.
